<p>2007 Estate Chardonnay Santa Cruz Mountains</p> <p>96 points Notes of white currants, lemon butter, poached pear, as well as touches of honey and crushed rock are all present in the complex aromatics of the light greenish/gold-colored 2007 Chardonnay Estate. A beautiful, full-bodied, textured mouthfeel with great freshness and brilliant purity is evidenced of another stunner from this iconic source of high-elevation California Chardonnay. This is probably my favorite vintage over the last decade and has at least 10 years of aging potential.</p> <p>Robert Parker Jr's The Wine Advocate Issue 193 Feb. 2011 visit www.mounteden.com</p>	<p>2007 Estate Chardonnay Santa Cruz Mountains</p> <p>96 points Notes of white currants, lemon butter, poached pear, as well as touches of honey and crushed rock are all present in the complex aromatics of the light greenish/gold-colored 2007 Chardonnay Estate.
